Chapter of the Year - 2018!

October 2018

WINGNUT

Each month, Chapter T, awards this coveted trophy. If you are not riding, you are not winning.

This month the Wingnut goes to Jose S. for testing the time limit on listening to music on his Wing without starting it to charge the battery.

Greetings from our Director

Dear Chapter T and friends,

Fall is here and hopefully the rainy season will be over. We were really lucky for our T-Fest Rally. Great weather, little muggy, but the rain went around us. Thank you to all the members of Chapter T, Chapter O and Volunteer friends who helped to make this a fun event. I believe everyone had a good time receiving prizes, awards, great food and much more.

A special "Thank you" to our vendors and sponsors. We awarded KPS with an appreciation plaque and certificate. Bush's Chicken and Starbuck's received an appreciation certificate at the Rally.

Some of the members participated at the K-2 Rally. Chapter H had their Rally cancelled due to bad weather.

On a sad note, our dear friend Ron Decker passed away. He will be dearly missed. Many of you attended his funeral. THANK YOU CHAPTER T!!!

In the meanwhile LeRoy came home and will be staying for three weeks before returning to Saudi! We also had our son and his family here, so we got to spend time with our grand daughter.

I also went to Chapter O gathering along with LeRoy and Jose. We had some great food again. You should try it. ½ price Enchiladas and they are delicious.

Our next event will be our Christmas Party on 7 December 2018.

We need to think about food.

Just as a reminder, check our website regularly for upcoming events. Look thru the different sites. And if you have any additional information, just let us know.

And as usual, if you don't participate, you can't find out all the fun you could have and how to make new friends.

Murphy's Motorcycle Laws

1. A motorcycle cannot / will not fall over without an audience.
2. The fact your keys are still in your pants pocket will become apparent after you put your gloves on.
3. Motorcycles are to yellow bugs what aircraft carriers once were to Kamikaze pilots.
4. Quick fixes are named for how long they stay fixed.
5. The only part you really need will also be the only part on permanent backorder.
6. Nothing is harder to start than a used motorcycle being shown to a prospective buyer.
7. You will never suffer a punctured tire on the road until you leave the repair kit at home.
8. "Universal" accessories are so named because that is where you must search to find the bike they fit.

Be Smart. Ride Safe.
