Chapter Director's Note

Greetings Chapter T and Friends,

I want to first welcome everyone back to GWRRA and selecting Chapter T as your home chapter. Welcome to another year with our team. We really do appreciate you spending time with us at our monthly gatherings, monthly rides and or just linking up with us at Rally's. We do know that you could be spending your time with others, but you choose to hang out with our crazy bunch.

This year, we are going to try a few things, visit a few places we may not have gone as a chapter together, but may have visited. Our destinations are chosen with all that in mind, and with little input from the entire chapter. Just like last year, a few of you volunteered to chat with me and Danny (Chapter Ride Coordinator) to provide destinations for the calendar year. We have done just that and hope that you can make some, most or all of the rides scheduled. No pressure!! Speaking of no pressure, there will soon be an opening position within the chapter leadership team. Danny has informed me that in conjunction with his upcoming job retirement, he may be taking off for a few months to enjoy life a bit more freely. If you are interested in this position, feel free to contact me.

You may have also noticed on our website, that we are alternating gathering locations throughout 2020. Currently we will be alternating between Fuddruckers and Henderson's Family Restaurant. Henderson's has been a supporter and choosing them was a no-brainer for me this year. Thus far, this change has been received positively by our members.

Highlighting our year is the Texas District Rally at the Y O Ranch and Conference Center in Kerrville, TX this coming April 30th-May 2nd. If you have not registered for this weekend, please consider supporting Jim and Alvalin (our chapter members and Texas District Directors) and his staff. Gene H and I rode on two's to Kerrville early Saturday, January 25th for the Mid-Winter Conference. Kerrville is really pretty, as is Fredericksburg. I was just as excited to ride past the many wineries through these two cities and will definitely have to spend a weekend to explore the sights and sounds and yes, the taste of all they have to offer. This is a time to meet new friends, visit with "old one"—no pun intended. You can register at <https://www.gwrra-tx.org/>.

At this conference, our very own Gene and Quinta H (Quinta was not present), received their Chapter Couple of the Year medals from our very own and district couple of the year coordinators, Dale and Carleen. We will recognized them as a chapter at our gathering on January 28th at Fuddruckers. See you all there.

Respectfully,

Jose and Celest Soto
Chapter Directors

- Dad , why do people who ride bikes look so happy ?

- Look son, in my opinion they are crazy.

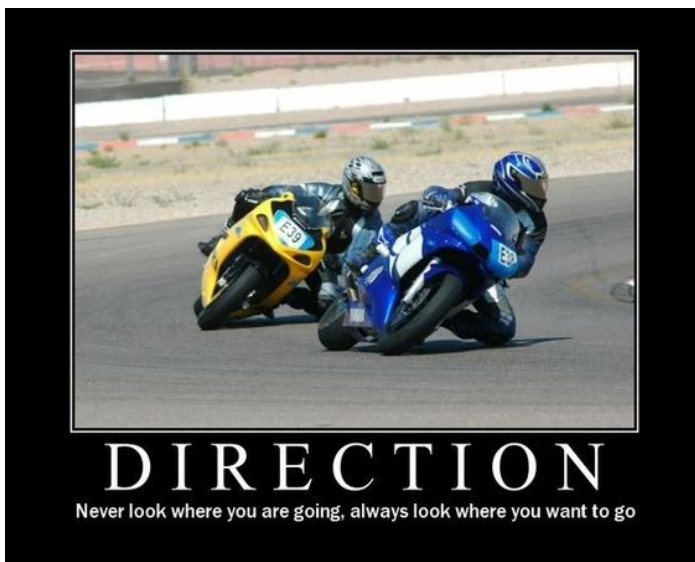

Also they have a weird philosophy,

they think they are free, they believe in enjoying the wind in their faces, the dust, the rain, the sun and everything else.

They call their friends brothers; they help each other, they greet each other even though they are strangers.

When they get off their bikes they embrace as if they have not seen each other in years, they live for the day, they are likely to die at any time but apparently do not care.

- Dad can you buy me a motorcycle.

Green's Sausage House

In 1949, Jerome and his wife Della purchased a saloon/café from Frank Zabcik and named it Green's Café. In the early years of the saloon/café, a pool hall and domino room were added. In the mid 50s a dance hall was added, as well as the first indoor toilets. The café menu was limited to hamburgers, cheese burgers, boiled ham sandwiches and BBQ sandwiches. In 1960 Green's Café underwent another addition/remodel which ultimately led to combining the two names, Green's Grocery and Green's Café to Green's Sausage House. This is when the dance hall was transformed into a grocery store with a meat counter. The pool hall was replaced with a processing plant.

During this time the first smoker was installed. This smoker was constructed of wood and had a brick fire pit that produced natural smoke. The sausage stuffer was upgraded to a used 1950s model Buffalo manufactured air driven piston stuffer. In 1967 Green's added a bakery that sold kolaches, cookies and breads. Our first baker was Clara Krupka (wife of the late Jerry Beran). Some of Clara's recipes are still used today as the base of our current recipes. During this same time, we introduced what would become a staple, our oh-so-famous Sausage Burger to the menu.

Zabcikville, Texas is an unincorporated community in east Bell County, Texas with a population of about 40 according to a 1990 estimate. Zabcikville is known for Green's Sausage House, the only remaining open business in town, that serves as a restaurant and a store for residents and people passing through.

Today, Green's offers 28 varieties of sausage, six types of bacon and various other meats and cheeses. The store offers over 100 varieties of Green's jarred relishes, salsas, pickles, jams and jellies. The café serves up over 40 menu options for lunch and dinner, in addition to a breakfast menu. The bakery offers a daily variety of fresh baked fruit and meat kolaches, cookies, breads, cakes and pies.
