Chapter Director's Note

Greetings Chapter T and Friends,

Hello! Is anybody here? I guess no one is home! We are back! We would like to thank the staff here at Henderson's Family Restaurant for opening their meeting room for our first meeting since the COVID-19 outbreak. We are looking forward to a great tasting dinner.

As mentioned in my email reminder yesterday, if you are not ready to meet in public, and do not wish to attend monthly gatherings, that is perfectly okay. You are not alone. I understand that health risk and would encourage you to bring your mask and or gloves with you to the meeting if you so desire. Absent mandatory requirements, the use of masks is highly encouraged.

We are halfway through the year and lots of planning needs to take place if we are to engage in T-Fest in October 2020. The option to hold one may be negated by legislature, CDC, or other government official. It may be wise to consider post-phoning until next year, given some spikes of COVID-19 or perhaps the often talked about second wave. It is something we must consider as a chapter moving forward.

I feel that rides can be resumed given that we all wear helmets and are already practicing social distancing during routes. Advance planning as usual, will determine what eating establishments are open for business and dinning (the preferred method). If they offer outdoor eating, that would be optimal. We can also take a drive-thru along the way to a destination. We will chat some more at the meeting on this and other topics. Stay safe!

Respectfully,

Jose and Celest Soto
